Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
120	24	52-64	32-44	2.000

- Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- WGST 112 must be completed within the first 45 hours of declaring the Women's and Gender Studies major.
- The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area.
- No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.
- Cross-cultural issues: non-U.S. or comparative courses include: WGST 320, 321, 335, 351, 352, 381, 388, 392, and 555.
- Should be taken within the final 45 hours before graduation.

Program Notes:

- ENGL 101 and 102 are identified as "critical" must be completed in the student's first 60 semester hours of work in order for these courses to be credited toward graduation. WGST 112 should be taken in the first 45 hours.
- WGST 499 may be taken as a service learning course or may be completed as a research project in conjunction with a WGST faculty or affiliate member in coordination with the WGST advisor. If taken as a service learning course, it requires 80 hours of service, as well as a classroom component and can contribute toward the service learning track of Graduation with Leadership Distinction. Before registering for WGST 499, students must fill out a contract with the WGST department and take it to the registrar's office. It is thus recommended that students intending to take WGST 499 discuss their plans with the WGST advisor one semester in advance.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the [Carolina Core](#) page on the University website.
