As a reminder – should this site (or others) begin or expand offerings such that 50% or more of a program is offered at the site – off-campus instructional sites that require approval must be approved by extensive review if (1) the institution has less than two sites already approved by extensive review -OR- (2) the institution is on Substantive Change Restriction. If the institution has two or more sites already approved by extensive review and the institution is not on Substantive Change Restriction, the institution is eligible for OCIS approval by limited review. Please refer to the Substantive Change Policy and Procedures for additional guidance.

We accept notification of the Lexington Medical Center Nursing Building off-campus instructional site (OCIS).

Should you need assistance, please contact Dr. Kelli V. Randall at 404-994-6545 or via email at krandall@sacscoc.org.

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Sincerely,

Kevin W. Sightler, Ph.D.
Director of Substantive Change
