5. Have demonstrated an active interest in disability issues

Guidelines for Associate membership:

- Open to all university members who do not meet the active membership requirements (any UofSC student, faculty, staff, and alumnus)

DELTA ALPHA PI HONOR SOCIETY
ΔΑΠ

To join, please e-mail: sadap@mailbox.sc.edu

- Delta Alpha Pi is, first and foremost, an organization that recognizes extraordinary academic achievement.

- We celebrate excellence in other areas as well, including extracurricular involvement and community service.

- Delta Alpha Pi provides an avenue whereby needs, concerns and opinions can be aired, discussed, and addressed.

- Members also provide direct service to other students by assisting them in times of transition and in times that help is needed for students by students.

We are more than a resume enhancing opportunity!

We are: An academic honors community of students supporting other students in friendship, in personal development, in career enhancement and in networking.

We are: An opportunity to celebrate our gifts.

We are: A chance to reach out to students with disabilities in middle and high school, and to students with a disability at the University of South Carolina.

We are: An invitation to grow through resource and skill development seminars.

We are: A good time as we gather to watch films, share fine food, attend sporting events, experience various cultural and entertainment offerings and even get away for a weekend or two.

We are: Committed to lead as we advocate for students with disabilities, address our issues in the public domain and challenge common perceptions by demonstrating how capable and skilled we are.
