Transfer Requirements (for students coming from outside the USC system)
- A 2.0 cumulative GPA and be in good standing from your most recently attended institution.
- Official transcripts from **all** colleges previously attended must be submitted.
- Transcripts are only considered official if they are securely sent directly from the institution to USCB, either through an encrypted online system or a sealed envelope through the mail.
- If you have fewer than 30 college credit hours, your official high school transcripts must also be submitted.
- Submitting ACT or SAT scores is optional at USCB, but many scholarships require the applicant to submit these.

System Transfer/Change of Campus Requirements (for students within the USC system)
- There is no minimum GPA required, but students must be in good standing from your most recently attended institution [no financial or academic holds, and not serving suspension
- Official transcripts from **all** colleges previously attended must be submitted, if not on file.
- Transcripts are only considered official if they are securely sent directly from the institution to USCB, either through an encrypted online system or a sealed envelope through the mail.
- If you have fewer than 30 college credit hours, your official high school transcripts must also be submitted, if not on file.
- Submitting ACT or SAT scores is optional at USCB, but many scholarships require the applicant to submit these.

Readmission Requirements
Returning / re-admit applicants are students who were once enrolled at USCB, but have been absent for one or more terms (summer semester excluded).

Students who have attended another college since leaving USCB are considered for readmission based on their entire academic background. Applicants for re-admission must also meet the same requirements as transfer students. Readmission to the University and to the program in which the student was previously enrolled is not automatic. Applicants must:
- Pay the $10 nonrefundable readmit application fee
- Submit official transcripts of all college-level work attempted during their absence from the University
