USC BEAUFORT PALMETTO COLLEGE PROGRAM SPECIFICS

In addition to the required courses listed on the previous page, the USC Beaufort Palmetto College Degree Completion Program has other requirements necessary to complete the degree. Also, there are certain technological requirements necessary to be successful in the program.

UNIVERSITY REQUIREMENTS

These are requirements all USC Beaufort students must complete in order to be eligible for graduation. Some requirements are adapted for Palmetto College students.

- **Global Citizenship and Multicultural Understanding Studies:** All USCB students are required to take one course to satisfy this requirement. Ideally, this requirement is met with another required course. However, if you have transferred courses into all of the areas where this requirement can be met, you will have to take a separate Global Citizenship/Multicultural course. Your Palmetto College Advisor will help you identify areas where this requirement can be met.

For more information, contact the USC Beaufort Palmetto College Coordinator at smcwilli@uscb.edu

TECHNOLOGY REQUIREMENTS:

These are the general technology needs for the USC Beaufort Palmetto College program. All course content will be offered via Blackboard, which will be offered through USC Beaufort once you are enrolled into the program. In addition, some courses require more specific software, which is often available for free or bundled with the cost of additional course materials.

Hardware:
- Reliable computer with sound and video playing capabilities
- Broadband Internet connection (DSL, cable, satellite)
- Webcam for interacting online and accessing remote support

Browsers:
- Mozilla Firefox, Chrome or Safari
- Other Browser Requirements:
  - Adobe Flash
  - Javascript Enabled

Software:
- Microsoft Office 365 (Word, Excel, Power Point). Available for free for Windows and Mac through USC Beaufort.
