2021 Career Expo Achieves Virtual Success – As with most in-person meetings and events over the past year, the third annual Gamecock Pharmacy Career Expo had to make major adjustments. [Read more...](#)

From the Dean's Desk

You may have heard our [exciting news](#) that an anonymous donor has made a most generous contribution of \$2M to our College – creating two endowments that will help create initiatives to raise our national profile, enhance our ability to attract top students and help them graduate with less of a financial burden, because our top priority is to give our students a world class education. This gift is both humbling and inspiring, and reminds us that no matter the size, we are grateful for the generosity and deep commitment by all those who support the College of Pharmacy.

Dean Stephen J. Cutler
College of Pharmacy

UofSC, industry partners develop pharmacy manufacturing technology

UofSC students and researchers in pharmacy, engineering and computing are collaborating to develop an innovative system that will improve pharmaceutical manufacturing.

Events & Opportunities

PHARMACISTS NEEDED - VACCINATE THE UPSTATE

All's Well Health Care Services and DHEC are looking for licensed pharmacists who would like to help administer COVID-19 vaccines at community events in upstate South Carolina. The volunteers will need to have a valid license, an up-to-date TB shot and be willing to work in various locations around the community.

The events begin in March and you will be compensated for your time. For more details or to sign up, please contact **Kevann Moritz** at [803-397-6547](tel:803-397-6547) or kmoritz@allswell.com.

SHARE YOUR COVID-19 STORIES

We're so proud to see UofSC pharmacy students, faculty and alumni leading the charge to vaccinate our state and nation against COVID-19. Help us recognize this work by sharing your vaccine photos and stories.

Tag us on social media [@UofSCPharm](#) or reach out to alumni@cop.sc.edu to let us know how you - or any Gamecock Pharmacists you know - have been involved in the COVID-19 vaccine rollout in your community.
