

UNIVERSITY OF
SOUTH CAROLINA

Announcing the **LivJoy Postdoctoral Fellowship**

This Fellowship will support the training of a talented postdoctoral researcher who is committed to advancing knowledge and improving outcomes for females with fragile X syndrome

Join the research teams of Dr. Jessica Klusek (Communication Sciences and Disorders) and co-mentor Dr. Jane Roberts (Psychology) and contribute to research related to fragile X-associated conditions, autism, and intellectual and developmental disabilities.

Annual research allowance of \$10k will be provided to support pilot research and conference travel.

Competitive salary and benefits.

Address inquiries to Dr. Klusek at klusek@sc.edu.
